LIVING SPACES

Make room for living.

Living areas, furniture arrangements and everyday movement: look at how a home works for you, as well as how many rooms it has.

During a viewing, we can explore the space in relation to your furniture, daily routines and personal needs.

Take a closer look inside.

Worktops, cabinetry and material details in a selection of show apartment photographs.

Show apartment photograph

Furniture and decorative items shown should not be assumed to be included in the sale. Specifications must be confirmed for the selected apartment.

See everyday life in the details.

Explore the bedroom, storage and bathroom arrangements together. Let us assess your options around your actual day-to-day needs.

SHARED AMENITIES

Beyond your front door.

Shared amenities and site features stated in the project brochure.

Swimming pool

Children's play areas

Indoor parking

Fitness room · 24/7 security and CCTV · Two lifts

Images are architectural renders. The final status and handover scope of shared areas should be confirmed.
